

AEMRN INITIATIVES OUTCOMES AND EXPERIENCE SHARING CONFERENCE 2019

THEME HEALTH FOR ALL AND THE
2030 SUSTAINABLE DEVELOPMENT GOALS

OBJECTIVES:

- To share ideas, knowledge, and best practices that provide insights into programming in resource poor settings with special focus on Health for All concept and the achievement of the Universal Health Coverage – We leave no one behind and other 2030 Sustainable Development Goals (SDGs).
- To foster and promote cross-cultural exchange across South-South and North-South participants.
- Plan for the initiatives and/or projects for 2020.
